Grooming Policies

Senior Pet Grooming Policy.

The safety and comfort of your pet is our top priority. As dogs age, grooming can become physically and emotionally stressful. For this reason, we are unable to accept new grooming appointments for dogs over the age of **13** years.

For existing senior clients, grooming services may be limited, modified, or discontinued based on your dog's health, mobility, and ability to safely tolerate the grooming process.

We reserve the right to stop or refuse any service if we feel continuing would put your dog at risk.

Groom Satisfaction Policy.

We want you to be happy with your pet's groom. If you notice something you're not satisfied with, please contact us within 48 hours of your appointment.

Complimentary fix-ups are available for minor adjustments (such as uneven trimming or small touch-ups) Requests made after this time frame, are difficult to accommodate due to coat growth and changes that occur after the groom.
